AMERICAN GULAG

American political prisoners have been held for more than 23 months in solitary confinement in 7' x 10' cells like these for 23 hours per day. These prisoners have not been convicted of any crimes; they are being held in "pretrial detention" for trespassing in the U.S. Capitol on January 6. Their trials might not begin until 2022, so they could spend a full year in solitary confinement. They have been denied bail, and they have no ability to meet with lawyers in private. They have 1 hour per day outside of these steel boxes for solitary "exercise," showers, and phone calls. In America...
